

WNDC Board Report

Report by the Director of Infrastructure Delivery

Paper Ref: 06-2009-07a Appendix 1

Construction Futures Targets	2010	Lifetime	Construction Skills Academy Targets	2010	Lifetime
Jobs created or safeguarded	2	5	Work placements	10	53
People assisted to get a job	120	340	Identify job opportunities and liaise with JC+	6	32
New businesses	0	1	Curriculum support and Site visits, HE, FE, Schools, Teachers	19	67
Businesses assisted to improve their performance	15	55	Health & Safety training	45	155
People assisted in their skills development	60	220	Individual skills profile	30	164
Adults achieving level 2 qualification	40	140	New entrants	20	130
Assisted through intervention	252	761	Assisted through intervention	130	601

1. The above is based on the full development programme coming forward in the target years
2. Due to downturn Construction Futures targets have slipped by 1 year (agreed with funder)
3. The two elements of the project (i.e. the NEL and Section 106 funded Construction Futures and the Construction Skills funded Academy) work to a different set of outputs and each have their own individual approved targets.
