Questions:

If you would like to address the Board about items on the agenda please contact the named officer on the front page of the agenda, no later than 24 hours before the meeting. Questions can be sent by fax, email, or post and will be tabled at the discretion of the Chair and in the order that they are received.

You will be given a maximum of 2 minutes to ask a question and the time allocated for answers to questions will be limited to 15 minutes in total.

Questions should be on strategic matters, this means issues addressed in the Corporate Plan and/or Prospectus. Questions about specific sites or developments will not be tabled at the Board. Duplicate or similar questions, from a single or multiple source, may be treated as a single item for response at the discretion of the Chair (the Chair will indicate where this has been the case). Repeat questions, when there has been no substantive development in the interim, will not receive coverage at the meeting but will receive a reply from WNDC. Questions that, in the opinion of the Chair, would be better addressed by alternative means may be answered elsewhere. The questioner will be informed if this is the case and a log will be kept and tabled to the Board for information.

If the questioner cannot be present at the Board Meeting, they can request for their question to be read by the Chair. There will be no supplementary questions.

Board Observers:

WNDC recognise the important role played by both Government agencies in the delivery of sustainable growth and regeneration in West Northamptonshire. A representative from the Homes and Communities Agency (HCA) will sit as an observer to the Board.

The venue is Wheelchair accessible. If you wish to attend the meeting but have any special requirements to enable you to do so, please contact the Committee Officer, whose name and
